## SPECIFICATION SHEET

### MODEL: Cascade

#### SPECIFICATIONS

**MODEL:**

490082 DFB-HS82-IL-WB

**HOUSING:**

Cast brass with weathered brass finish.

**LENS:**

Clear high-impact polycarbonate.

**LAMP TYPE:**

Embedded warm-white LED array.

**LIGHT OUTPUT:**

251 lumens. Warm-white 2700 K light.

**POWER:**

12V, 4W.

**MOUNTING:**

Three stainless steel mounting plates facilitate mounting under a hardscape cap or flush to a wall, or mount directly with screws.

**WIRING:**

Prewired with 5' pigtail of 18/2 cable.

**WARRANTY:**

Five years.

Crafted from cast brass, the Cascade hardscape light features a highly efficient embedded 4-watt, warm-white LED array (251 lumens). It can be mounted under a horizontal cap or flush to a vertical or horizontal surface. Clear high-impact lens. Five-foot factory-installed 18/2 wire lead.
